By signing below Customer agrees to the following Terms:

Charges recur every 30 days unless customer calls for pickup and additional charges will be due thereafter.

It is agreed that the dumpster will remain on the jobsite for up to one month unless otherwise specified. The dumpster described herein shall remain the property of Superior Recycling & Waste Management Inc. (SRWM). SRWM shall be entitled to enter upon my property and remove the dumpster at any time it deems non-payment for current invoices or its property is being used without payment.

Superior Recycling & Waste Management will not be responsible for damages past the curb line or for any damages by movement of our equipment to locations other than the job address placed by our company. Any and all damages to container must be reported in writing to the SRWM office with ten (10) days. Customer will be held liable for any damage incurred due to the overload of the container or disposal of hazardous waste.

Pricing above is for construction waste mixed use ONLY. Roofing materials will be charged an additional \$100.00.

*Up to 5 Tons; Over 3 or 5 tons customer will be charged at an additional rate of \$55.00 per ton; \$60.00 for roofing materials. All Credit card payment will be charge an additional 3.5% for processing. Customer agrees that payment is due once the dumpster has been emptied and if there is a credit card on file the card will be charged accordingly. Customer agrees any collection efforts for non-payment of invoices will entitle company to legal fees and costs.
