***Customer Haul Charge Type (see below for haul charge type descriptions) ***

| | | | | | | | | | | |
|-----------------|------------------------------------|--|-----------------|-------------|-------------------------------------|----------------------------------|--|------------------------------|--------------------------------|-------|
| A | Haul Plus Disposal: | Customer pays a haul charge each time a container is serviced. Customer also pays disposal and administrative costs associated with the service as specified in this agreement. | | | | | | | | |
| B | Flat Rate with Tonnage Max: | Customer pays a flat rate each time the container is serviced. The flat rate includes disposal up to the included maximum tonnage specified below. Disposal over the included maximum and other applicable administrative charges will be billed as additional charges at the tonnage rates specified in this agreement. | | | | | | | | |
| C | Flat Rate: | Customer pays a haul charge each time a container is serviced. This flat rate is based on disposal of flat rate material at a flat rate facility. If the material does not meet these flat rate standards for the waste type shown below customer will be billed disposal and administrative charges at the rates specified in this agreement. | | | | | | | | |
| D | Fuel Surcharge: | Price does not include a fuel surcharge which may be imposed and adjusted on a monthly basis. | | | | | | | | |
